Alpine School Fleece Jumpers.

Dear Parents/ Guardians,

While here with us at the Alpine School Campus, your sons and daughters have been issued with a whole range of quality outdoor equipment and clothing for their use throughout the term.

Students are often interested in purchasing some of this gear as a souvenir of their stay at the Alpine School, so each term we give students, and parents, an opportunity to purchase their fleece jumper. There is certainly no obligation to do so; however the opportunity is there for those who may be interested. The fleece jumpers are high quality Polartec manufactured by a leading outdoor brand, MONT Equipment. The jumper that the students are issued with at the start of the term is the jumper that they will have the opportunity to purchase; therefore it will be a used. We offer the jumper at a reduced price of \$85 which is far less than the retail price of the jumpers.

We currently have limited stock and students will *not be able to purchase size medium.*

If you are interested please fill out the form below and return it to school with a cheque or money order. Please make out cheques to 'The Alpine School'. The jumpers will then be able to be taken home with your child on departure day. If it suites you to pay in person, with *cash*, then you can do this on the departure day.

Yours sincerely,

Toby Hill
 Outdoor Clothing Co-ordinator (Term 1 2017)
